

About Us

CorTech is a certified minority owned full service staffing firm that focuses on contract, contract-to-permanent, and direct hire professionals at all career levels. We are an international operation headquartered out of Atlanta, Georgia with field offices strategically located across the United States. Through this unique business model we are currently able to support clients across all locations of the United States, Canada, and Puerto Rico.

Our organization specializes in a workforce to fit any need as well as consultants who work effectively in diverse industries and cultures to optimize performance in rapid development environments. We are leaders in our industry and specialists in yours, bringing together experience, technology, and human capital management based on compliance, automation, and flexibility. Our processes are designed to help our clients succeed. CorTech's approach and objective is to provide a variety of staffing solutions that meet the demands of our clients' business needs.

Diversity

CorTech is a designated certified Minority Supplier through the National Minority Supplier Development Council (NMSDC).

Staffing Services

Our network of branch offices and our centralized recruiting team provides clients with solutions tailored to their unique needs and business environments.

Our experienced recruiting teams follows a seven step method:

Engage → Search → Screen → Interview
→ Submit → Onboard → Invoice

Temporary Labor Staffing

CorTech understands the need for qualified staff. We have a robust recruiting team with experience across all skill categories and a large database of qualified candidates for all industries:

- Industrial
- Healthcare
- Professional
- Admin/Clerical
- IT
- Engineering

Payroll Services

CorTech offers a cost-effective solution to enable clients to utilize workers who are familiar with their organization, including retirees, interns, internally sourced resources, and past resources. Our solution enables us to payroll your resources at an extremely competitive rate depending on the exact volume and scope of your needs.

Onsite Program

We offer an on-site professional to oversee day-to-day activities of your workforce at our client locations. This dedicated resource will enable our client to leave the workforce requirements to CorTech: safety, scheduling, employee coaching, and counseling.

CorTech and its family of brands provides more than just traditional staffing services. We offer services and solutions to meet the diverse recruitment, hiring and technology needs of companies of all sizes, locations and industries.

Direct Hire Services

The search for the right employee can be a long and costly process; that's why we take on the burden of this process to help you achieve your business objectives.

MSI provides direct-hire professionals for most industries including but not limited to: Accounting, Banking, Construction, Engineering, Finance Services, Healthcare, IT, and Legal.
